

## B.Tech - Travel Blog Website

---

### t1. WEBSITE DETAILS

#### Title of the Website:

*Travel Blog Website*

#### Description:

This website is designed as a travel blog that provides information about travel destinations, travel-related courses, blogs, and contact details.

My contribution to this project includes the **About page** and the **Courses page**, along with their respective CSS files.

#### Purpose of the Website:

This website is designed as a travel blog that provides information about travel destinations, travel-related courses, blogs, and contact details.

My contribution to this project includes the About page and the Courses page, along with their respective CSS files.

#### Target Users:

- Students learning web development
- Travel enthusiasts
- Beginners interested in website design
- People looking for travel courses and guidance

#### Tools Used:

##### The following tools and technologies were used:

- **HTML5** – For webpage structure
- **CSS3** – For styling and layout (style.css, blog.css, contact.css)
- **Font Awesome** – For icons and visual enhancement
- **Text Editor** – VS Code

## B.Tech - Travel Blog Website

---

- **Web Browser** – Chrome

### Key Features:

- Separate webpages for different sections of the website
- Clean and readable layout
- Consistent design using CSS
- Informative About page explaining the website purpose
- Courses page displaying travel-related learning options
- Easy navigation and structured content

## 2. TAG DEFINITIONS USED IN THE WEBPAGE

### 3. SCREENSHOTS

#### About Section:-

## B.Tech - Travel Blog Website

## B.Tech - Travel Blog Website

The screenshot shows the homepage of Nomadic Matt's travel blog. At the top, there is a dark navigation bar with the site's logo, a small profile icon, and the text "NOMADIC MATT". To the right of the logo are links for "ABOUT", "BLOG", "START HERE", "DESTINATIONS", "BOOKS", and "COURSES". Below the navigation bar, a large green banner displays the year "2024". To the left of the banner, there is a callout box containing text about reaching 10 million travelers. A vertical green line with circular markers extends from the banner down to the "Featured In" section. The "Featured In" section includes a sub-section titled "Milestone" with the text "10 Million+ Travelers" and a brief description of the community's growth. Below this, there is a horizontal line with the text "My work and travel experiences have been featured in major publications around the world." followed by a list of publications: THE NEW YORK TIMES, CNN, BBC, NATIONAL GEOGRAPHIC, LONELY PLANET, and FORBES.

2024

Milestone  
10 Million+ Travelers

The community has grown to help tens of millions of people plan affordable adventures every year.

Featured In

My work and travel experiences have been featured in major publications around the world.

## B.Tech - Travel Blog Website

The screenshot shows the homepage of Nomadic Matt's website. At the top, there is a navigation bar with links for About, Blog, Start Here, Destinations, Books, and Courses. Below the navigation bar, there is a section titled "My Travel by the Numbers" featuring four large statistics: "100+" countries visited, "1000+" hostels stayed in, "3" best-selling books, and "10M+" travelers helped. Below this section, there is a box titled "What Readers Say" containing several testimonial snippets from users like Sarah K., First-time Solo Traveler, David W., Points Enthusiast, and Jennifer M.

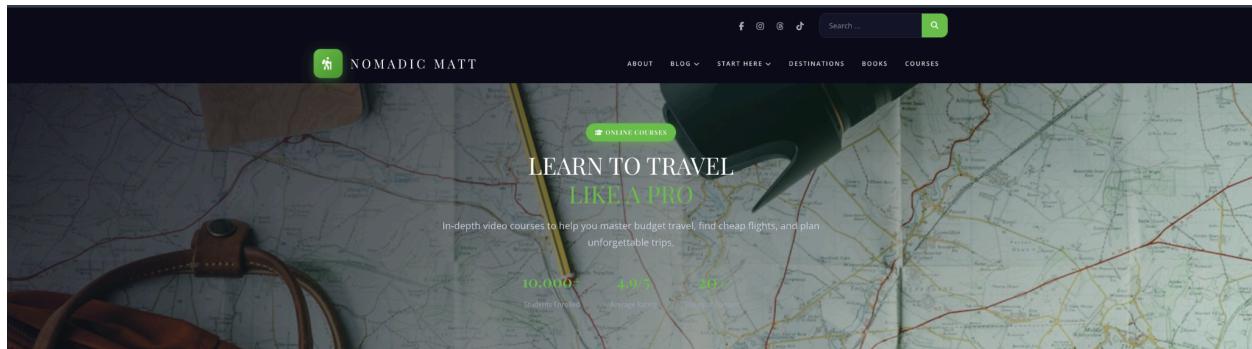

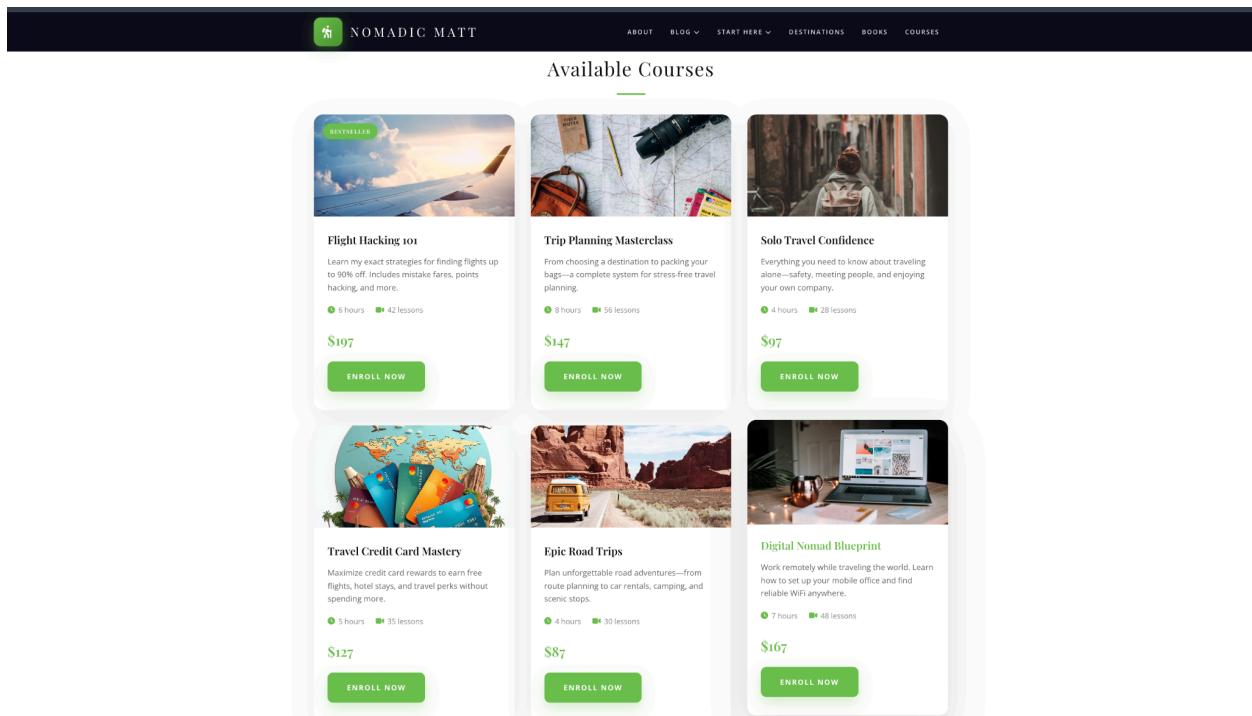

The screenshot shows the "MY MISSION" page of Nomadic Matt's website. The page features a heading "Making Travel Accessible to Everyone" and a paragraph explaining the author's belief in travel's transformative power. It also includes a paragraph about proving that travel is accessible to everyone, regardless of budget or time constraints. At the bottom of the page are two buttons: "START YOUR JOURNEY" and "GET IN TOUCH".

The screenshot shows the footer section of Nomadic Matt's website. It includes a "Join the Nomadic Matt Community" section with a heart icon, a sign-up form for email address and subscription, and links to "About", "Start Here", "Destinations", "Resources", and "Follow Me". The "Follow Me" section lists links to Facebook and Instagram. At the very bottom, there is a small copyright notice: "© 2026 Nomadic Matt's Travel Site, LLC. All Rights Reserved."

## B.Tech - Travel Blog Website

The screenshot shows the homepage of Nomadic Matt's travel blog. At the top, there is a navigation bar with links to About, Blog, Start Here, Destinations, Books, and Courses. Below the navigation bar, a section titled "Free Resources to Get Started" features two items: a "Budget Travel Checklist" (PDF) and a "Free Video: Flight Booking Basics". Both items include a download or watch now button. Below this section, a dark banner contains the heading "What Students Say" followed by three testimonial cards from Michael T., Jessica L., and Amanda R. Each card includes a quote, the student's name, and the course they took.

### Frequently Asked Questions

This section contains four expandable FAQ cards. The first card, "How long do I have access to the course?", has an answer: "You get lifetime access! Once you enroll, you can watch the lessons as many times as you want, forever." The second card, "Is there a money-back guarantee?", has an answer: "Yes! All courses come with a 30-day money-back guarantee. If you're not satisfied, just email me for a full refund." The third card, "Can I watch on my phone?", has an answer: "Absolutely! The courses work on any device—computer, tablet, or smartphone."

The footer is divided into several sections: "ABOUT" (About Matt, Contact), "START HERE" (How to Travel Cheap, Find Cheap Flights), "DESTINATIONS" (Europe, Asia), "RESOURCES" (Travel Guides, Books), and "FOLLOW ME" (Facebook, Instagram). At the bottom, a small copyright notice reads: "© 2026 Nomadic Matt's Travel Site, LLC. All Rights Reserved."

### 4. DECLARATION

I hereby declare that the **About page** and **Courses page** of this Travel Blog Website have been designed and developed by me as part of a group project.

The work submitted is original and has been completed using HTML and CSS.

**Name of Student:** Sejal Singh

**Roll Number :** 150096725045

**Signature of student:**

**Date:** 9/02/2026

### 5. FUTURE SCOPE

- In the future, this website can be enhanced by adding more advanced features.
- User login and comment functionality can be added.
- A database can be used to store travel blogs and user data.
- Search and filter options can help users find destinations easily.
- Interactive maps can be included for better travel planning.

These improvements will make the website more dynamic and interactive.
